Present: Doug Telling, Rob Lingle, Bill Harker

Absent: none

Guests: Charlotte Dewey, Lois Dewey, Sarah Reynolds

Called to order at 4:38 pm

She objected, on advice of counsel, to the executive session, but when asked by Telling refused to give a reason.
2. Lingle called for an executive session to discuss strategy regarding 107 Main St with respect to litigation and declared that an open meeting would have a detrimental effect on the litigating position of the town. He announced that the board would reconvene in public session. Vote-Lingle: Yes, Telling: Yes, Harker: Yes.

Executive session at 4:42 pm

Returned to open session at 5:06 pm

Telling noted the email from Marcia Tucci, which the other members had seen, and referred to a draft response. He would like the response to come from the entire board. Harker and Lingle agreed and regretted that people waited four years to become involved.

Harker moved to send the response over the name of the entire board. Lingle seconded.
