1. Lingle gave points of order for the call. Comments by Lingle, then Harker, then Telling
2. Crochier reviewed the emergency meeting under Ch. 111 authority

4. Discussed a proposed order to limit one car at a time throwing away trash and recycling at the transfer station. Crochier noted that if someone needs assistance the attendant can come out and dispose of trash and the resident must remain in the car. The attendant then returns to the shed. It was noted that it will be important for a policeman direct traffic. Telling will email the order to the chief and meet with him at his next office hour to answer questions.

Telling moved and Harker seconded a motion to approve the order. Role call vote approved 3-0

5. Librarian can continue to keep library hours but will suspend curbside service.
6. The board received a report that a nurse goes into the Federated Church to help the elderly with their feet. Crochier contacted nurse Lisa White for advice on that. She recommended suspending the practice for a month. Harker will contact Camille White and tell her.

Harker moved and Lingle seconded a motion to adjourn. Passed 2-1
