Others Present

The meeting was called to order at 7:00 PM

Tim Eichholz nominated Bill Harker to represent the Conservation Commission on the recently formed Earth Removal Committee. This motion was unanimously approved.

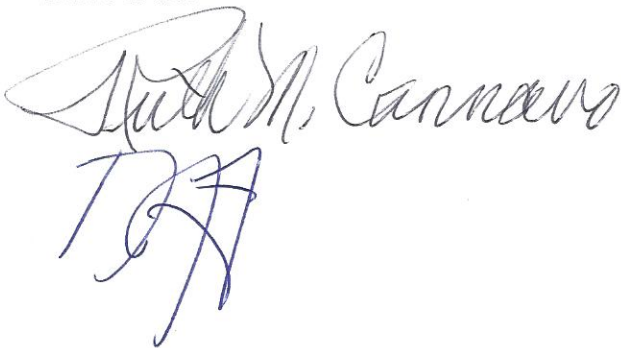

Bill Harker reported that he had checked on structures being built at Hawlemont School for the new agriculture program, and that all conformed to the relevant regulations. He also reported that DEP approved the use of railroad ties as a base for the greenhouse there.

Mail was reviewed, including forest cutting plans.

Business having been concluded, the meeting was adjourned at 7:25 PM.

Respectfully submitted,

D.J. Forbes
