

Charlemont Conservation Commission
Town Hall
September 7, 2016

Present: Doug Telling, Doug Johnson, Bill Harker
Absent: none
Guest: Kevin Ricci

Called to order at 6:45 pm

1. Discussed using the current footprint of the house or squaring it off and what the implications for each are in terms of getting a Con Com sign off. Whether to use an RDA or NOI depends on more information from Mr. Ricci and Mark Stinson. Telling will contact Stinson.

2. Commission advised that Mr. Ricci return with more detailed paperwork of an NOI. Specifically, he needs to decide how he wants to address the house.

Harker moved and Telling seconded a motion that the RDA was incomplete and needed to be completed or replaced before the Commission could act. Passed unanimously with no abstentions

Harker moved and Telling seconded a motion to adjourn

Passed unanimously with no abstentions.

Adjourned at 7:50 pm
