

Charlemont Conservation Commission Minutes
Town Hall
April 18, 2018

Present: Doug Telling, Bill Harker, Tom Shields, Rob Lingle
Absent: Doug Johnson
Guests: Mark Stinson, Brian DuPree

Called to order at 6:00 pm

1. Mark Stinson presented a series of satellite pictures starting in 1997 and ending in 2014. These show clearing of vegetation in the resource area in order to store towed cars. In the absence of a permit from the Conservation Commission, this is a violation. Two major areas affected, along the bank of the brook and the area cleared of vegetation.
2. A site visit is necessary to determine how to proceed. Two clear options: a. to remove the cars from the resource area or b. to replace plants and trees.
3. Brian DuPree says he prefers moving the cars off of the property.
4. A site visit is tentatively scheduled for April 22 at 1 pm.
5. Received a forest cutting plan and expense report

Harker moved and Shields seconded a motion to adjourn. Approved 4-0

Adjourned 6:45 pm
