Reviewed correspondence:

FRCOG is surveying interest in a joint Conservation Agent between the rural towns. Based on the information provided the town of Charlemont's ConCom is interested in getting more specific information on this service but is not looking to lock in a service at this time. The ConCom will fill out the questionnaire from FRCOG when it becomes available. The ConCom is not prepared to jump into this arrangement at this time.

Justin motioned to close the meeting at 6:53. Bill seconded this. All in favor.
