

Minutes of the Charlemont Earth Removal Hearing February 14,2017

6 pm Hawlemont School

Members present: Gisela Walker, Robert Lingle, Sarah Reynolds

Public Present: Ned Childs, Jim Richardson, Jodi Tanguay, Neil Neuhauser, Melissa Dekoschak

The applicant and committee went over the applicant's paperwork.

The committee went over the General Notes and Operation Notes the applicant provided line by line and discussed any questions or concerns, the gps points and monitoring well have been installed in the pit, It was discussed that the operation would address the gradual release of water from the pit and also that there would be no crushing for greater than two weeks, also that the tree roots on the fairgrounds side would not be disturbed.

The timeline was also gone over, as well as the following of the by law regulations and the fines that the bylaw allows for failure to comply.

On a motion by Gisela and second by Robert the hearing was closed. Motion passed unanimously
