

## **Emergency Notification and Public Interest Message System Deployed for Charlemont**

The Town of Charlemont has deployed an Emergency Notification and Public Interest Message system that uses a telephone calling system to alert residents and business in town of an emergency situation that may impact our area. The number for the town hall, 339-4335 will show up on caller id units. Please do not call the town hall for more information.

In an actual emergency, you would be instructed on what to do and who you should contact for more information.
