**Appointment:** Lida Forbes member of Hawlemont PTO requesting to speak to Park & Rec. PTO is requesting and inquiring the status of P&R ability to help and or give some direction on the cleanup of the playground & ball fields. After much discussion the advice given by P&R was to have the PTO form a committee with Rick Mullen being the liaison to P&R. Assess the short term & long term goals, acquire all the facts such as testing results, attend BOS meetings with it's concerns. It was also pointed out that the Town Clerk and Highway Super was attending a meeting with FEMA & MEMA. Who is to report to BOS as to protocol. It was also pointed out that it was not wise to have people just going out and doing things without the proper channels in place. It was determined that Lida would take back to PTO or input and will keep us informed.
