Discussion Topics

1. Anne moved to approve meeting notes from February 14th 2023, Wilder seconded, all in favor.
2. KP Law edits 1st comment: "Many recall acts say the first 10 voters that signed the affidavit are listed, or similar low number. This is a practical comment rather than a legal one - if 75 or 80 voters sign the affidavit and they all have to be added to the petition, that takes up a lot of space." Wilder motioned to keep it as is, Ashley seconded. Passed unanimously
3. KP Law edits: Bob made motion to keep all edits, Wilder seconded, pass unanimously
4. Article information: Ashley motioned to adopt article information to send to selectboard, pass unanimously.
5. Bob said to make sure it is received by selectboard by April 18th.
6. Chris commented committee members should be ready to defend warrant article during town meeting.

Motion to adjourn was made at 5:53pm and was passed unanimously.
