

## Dedication

Gordon Hathaway served as the Charlemont Highway Superintendent from December of 1997 until his retirement in June of 2022. Gordon started his career in the Highway Department as a laborer in 1992, working under Wallace Maclean. Gordon was instrumental in starting the current infrastructure funding that is asked for at town meetings each year to complete road projects that address some of the streets with troubled areas. The 8A North Realignment project to address the safety of the blind corner on the way to Heath was also a project Gordon felt was important to address for the safety of residents who traveled the road, that project will be complete in June of 2023 thanks to Gordon.

Gordon, even in retirement, was willing to work with the new highway superintendent to make sure he had the knowledge and tools to continue projects and maintain the streets in Charlemont. He has always been willing to help and did a great job with the resources that he had. We thank him for his many years of service and wish him a happy retirement.

## ANNUAL TOWN MEETING MINUTES

Tuesday, May 24, 2022

Continued

Tuesday, May 31, 2022

7:30 P.M.

Hawlemont Regional Elementary School

The 2022 Annual Town Meeting was convened at 7:35 by Town Clerk Kathy Reynolds due to the absence of Town Moderator Charlotte Dewey. A quorum was declared and the warrant was posted within the legal time frame. Town Meeting elected Ronald Smith to act as temporary Moderator.

A motion not to take up any new business after 9:30 P.M. and to continue Town Meeting on Tuesday, May 31, 2022 at 7:30 P.M. was made and seconded and carried by a majority vote.

Article 1: Voted to authorize the Select Board to apply for and accept any and all Federal and State grants or gifts from individuals or non-profit organizations which may become available during the fiscal year 2023.

Unanimously voted

Article 2: Voted to see if the Town will authorize the Treasurer to enter into a compensating balance agreement or agreements for fiscal year 2023, pursuant to Chapter 44, Section 53F of the Massachusetts General Laws.

Carried unanimously

Article 3: Voted to establish the spending limits for the following revolving funds for fiscal year 2023:

1. Dog Fund = \$2,500.00
2. Recycling = \$6,000.00
3. Flags and Banners = \$1,200.00
4. Fire Inspection = \$1,200.00
5. Planning Board = \$950.00
6. Parks & Recreation Commission - \$6,000.00

Carried unanimously

Article 4 Voted to raise and appropriate, or otherwise provide, a \$4,048,441.53 to defray the fiscal 2023 operation and capital budgets of the Town, and to establish the salaries for its Town Officers.

Holds were placed upon line #91,102,108,11 and Total Highway Department Expenses. Line item #108 was unanimously voted to change to 0 (zero).

Line items #91, 11 and Total Highway Department Expenses were passed unanimously after explanation.

Town Meeting voted to skip to Article 6 before finishing Article 4.

Article 6: Voted to raise and appropriate \$231,958.00 to supplement the Hawlemont Regional Elementary School's Operating budget for fiscal year 2023 contingent upon the passage of a Proposition 2 ½ ballot question.

Results of the 2 ½ override ballot question: 102 yes votes 100 no votes with 2 blank votes.

A secret ballot was taken for question 6 the results of the secret ballot were: 91 votes 53 yes votes 38 no votes. It was assumed that a 2/3rds vote was required for this article to pass. Town Counsel was consulted and it was determined that a 2 ½ Override required a majority vote.

Passed by a majority vote

Town Meeting returned to Article 4 the Town Budget. Line item #102, Hawlemont Regional Operating Assessment was discussed and passed by a majority vote as recommended by the Finance Committee. The budget as voted follows:

Voted to amend the MOHAWK TRAIL REGIONAL SCHOOL DISTRICT – REGIONAL DISTRICT AGREEMENT by **striking** the following language contained in **Section III (B) – Pupils Entitled to Attend Regional Elementary Schools**:

The pre-K-12 Member Towns are defined as Ashfield, Buckland, Colrain, Plainfield, Heath, and Shelburne. Subject to the provisions of this section, it is intended that elementary students residing in the member towns of Ashfield, Buckland, Colrain, Plainfield and Shelburne will receive their education in facilities located in the District and will be assigned as follows: Ashfield and Plainfield residents to Sanderson Academy; Colrain residents to Colrain Central School; and Buckland and Shelburne residents to Buckland Shelburne Elementary School. Elementary students residing in Heath will receive their education in the Hawlemont Regional School District pursuant to a tuition agreement between the Mohawk Trail Regional School District and the Hawlemont Regional School District through no longer than June 30, 2023. During the period of such tuition agreement, the Town of Heath shall seek in good faith to negotiate with the Hawlemont Regional School District regarding joinder of the Town of Heath into the Hawlemont Regional School District for elementary education. The tuition agreement shall constitute a binding financial obligation of the District. Heath may withdraw from the Mohawk Trail Regional School District for grades PK-6 in accordance with the “Withdrawal” section of this Agreement. Heath shall remain responsible for its outstanding indebtedness, if any, including but not limited to OPEB, to the Mohawk Trail Regional School District despite such withdrawal in accordance with the terms of the Regional Agreement.

If, upon the expiration of such tuition agreement, as may be extended, Heath and the Hawlemont Regional School District have failed to reach agreement as to the joinder of Heath into the Hawlemont Regional School District, elementary students residing in Heath will receive their education in facilities located in the Mohawk Trail Regional School District, the specific location(s) to be decided as provided herein. The Mohawk Trail Regional School Committee will offer at least two (2) facilities located in the District as options for educating the elementary students of Heath and the Heath members of the Committee will determine which one (1) facility to recommend to the Committee for the placement of all Heath resident elementary students. No facility will be approved by the Committee without the affirmative votes of both Heath Committee representatives, provided however that in the event of a tie vote between such Heath representatives, or in the event that there are vacancies in the positions of Heath representatives, a majority vote of the Committee will prevail. The determination must occur no later than November 1<sup>st</sup> of the school year prior to the change.

## Article 18

Voted to amend the MOHAWK TRAIL REGIONAL SCHOOL DISTRICT – REGIONAL DISTRICT AGREEMENT by **striking** the following language contained in **Section IV (E) – Apportionment of Capital Costs Grades pre-K–6:**

(3) The Heath Elementary School Building shall be returned to the Town of Heath on July 1, 2017, and the Lease between the parties shall terminate as of said date. In exchange for termination of the lease, the District shall pay to the Town of Heath a total sum of \$240,000.00, such payment to be made in no fewer than three (3) annual installments. The amounts and timing of such installments shall be as agreed upon in writing by the School Committee and the Town of Heath, provided however that the final installment shall be due no later than June 30, 2020. Any outstanding debt payments associated with the Heath Elementary School shall remain the responsibility of the Town of Heath, and the Town of Heath shall continue to be assessed for said debt in accordance with the terms of this Agreement.

(4) Capital costs representing payments of principal and interest on bonds, notes or other obligations as issued by the Committee to finance expenses in the nature of capital outlay for the purpose of construction at the site of, or reconstruction to, the Colrain Central School or upon any premises as may be leased to the Mohawk Trail Regional School District by the Town of Colrain, shall be borne by the Town of Colrain.

(5) Nothing in this section shall be construed to prevent the member towns from amending this Agreement and modifying and/or altering the above designated schedules of apportionment of capital costs in the event subsequent school construction or reconstruction results in a change of grade level or town assignments to the District schools.

**and replacing** said language with the following:

(3) Colrain, Heath

Effective commencing with Fiscal Year 2023, new capital costs incurred by the committee and associated with grades pre-Kindergarten to six, inclusive, of the District school or schools serving the pupils from the Towns of Colrain and Heath shall be apportioned to the Towns of Colrain and Heath as follows:

To Colrain: A portion of the total of all principal and interest on bonds, notes or other obligations as issued by the Committee consistent with the above, expressed as a percentage of the total to the nearest one-hundredth of one percent calculated as follows: By (1), computing the ratio which the sum of the enrollments of pupils at the Colrain Center School, resident in the Town of Colrain as determined by the census of pupils at said district school each October 1 for the five most recent years, bears to the sum of enrollments of pupils at said district school, resident in the Towns of Heath and Colrain, as determined by the census of pupils each October 1 for the five most recent years (note: pre-K enrollment will be included in the calculation); and by (2) expressing such ratio as a percentage. Until five years of data becomes available, the most recent years of data shall be used to determine said ratio.

To Heath: A portion of the total of all principal and interest on bonds, notes or other obligations as issued by the Committee on or after July 1, 2022 consistent with the above, expressed as a percentage of the total to the nearest one-hundredth of one percent calculated as follows: By (1), computing ratio which the sum of the enrollments of pupils at the Colrain Central School, resident in the Town of Heath, as determined by the census of pupils at said district school each October 1 for the five most recent years, bears to the sum of enrollments of pupils at the said district school, resident in the Towns of Colrain and Heath, as determined by the census of pupils each October 1 for the five most recent years (note: pre-K enrollment will be included in the calculation); and by (2) expressing such ratio as a percentage. Until five years of data becomes available, the most recent years of data shall be used to determine said ratio.

(4) The Heath Elementary School Building was returned to the Town of Heath on July 1, 2017, and the Lease between the parties terminated as of said date. In exchange for termination of the lease, the District paid to the Town of Heath a total sum of \$240,000.00. Any outstanding debt payments associated with the Heath Elementary School shall remain the responsibility of the Town of Heath, and the Town of Heath shall continue to be assessed for said debt in accordance with the terms of this Agreement.

(5) Capital costs representing payments of principal and interest on bonds, notes or other obligations as issued by the Committee to finance expenses in the nature of capital outlay for the purpose of construction at the site of, or reconstruction to, the Colrain Central School or upon any

premises as may be leased to the Mohawk Trail Regional School District by the Town of Colrain, shall be borne by the Towns of Colrain and Heath, as provided in Section E. (3), above.

(6) Nothing in this section shall be construed to prevent the member towns from amending this Agreement and modifying and/or altering the above designated schedules of apportionment of capital costs in the event subsequent school construction or reconstruction results in a change of grade level or town assignments to the District schools.

#### Article 21: BY PETITION

##### AN ACT PROVIDING FOR RECALL ELECTIONS IN THE TOWN OF CHARLEMONT

Be it enacted by the senate and House of Representatives in the General Court assembled, and by the authority of the same, as follows:

Section 1. Any holder of an elective office in the Town of Charlemont may be recalled and removed there from by the qualified voters of said town as herein provided.

Section 2. Ten percent or more of registered voters may initiate a recall petition by filing with the town clerk and affidavit containing the name of the officer and the office held whose recall is sought and a statement of the grounds of recall. Upon certification by the town clerk, the town clerk shall, within two

business days, deliver to the voter first named on such affidavit, a sufficient number of copies of petition blanks demanding such recall. The blanks shall be issued by the town clerk with the town clerk's signature and official seal attached thereto; they shall be dated and addressed to the board of selectmen; shall contain the name of the person whose recall is sought, the office from which recall is sought, the grounds for recall as stated in the affidavit, and shall demand the election of a successor to such office. A copy of the petition shall be entered in a record book to be kept in the office of the town clerk. The recall petition shall be returned and filed with the town clerk within twenty days following the date of issuance of said petition. Said recall petition shall be signed by at least ten percent of the registered voters in said town, and to every signature shall be added the residence of the signer, giving the street and number. The town clerk shall, within two business days following the date such filing, submit the recall petition to the board of registrars of voters, who shall within five business days after the day of receipt, certify in writing thereon the number of signatures which are names of voters in said town as of the date such affidavit was filed with the town clerk. The board of registrars shall, upon completion of its certification, return the petition to the town clerk.

Section 3, If the petition shall be found and certified by said town clerk to be sufficient, he shall submit the same with his certificate thereon to said selectmen without delay, and said selectmen shall forthwith give to said elected officer whose recall is being sought, written notice of the receipt of said certificate and shall, if the officer sought to be removed does not resign within five days thereafter, thereupon order a recall election to be held not less than thirty nor more than sixty days after the date of town clerk's certificate that a sufficient petition has been filed; provided however, that if any other town election is to occur within ninety days after the date of said certificate, the selectmen may, in their discretion postpone the holding of the removal election to the date of such other election. If a vacancy occurs in said office after a recall election has been ordered, the election shall nevertheless proceed as herein provided.

Section 4. Any officer sought to be recalled may be a candidate to succeed himself, and unless he requests otherwise in writing, said town clerk shall place his name on the official ballot without nomination. The nomination of other candidates, the publication of the warrant for the recall election, and the conduct of the same, shall all be in accordance with the provisions of law relating to election, unless otherwise provided in this act.

Section 5. The incumbent shall continue to perform the duties of his office until the recall election. If the recall fails, or if the incumbent is re-elected, he shall continue in the office for the remainder of his unexpired term, subject to recall as before, except as provided in this act. If not re-elected in the recall election, he shall be deemed removed upon the qualification of his successor, who shall hold office during the unexpired term. If the successor fails to qualify within five days after receiving notification of his election, the incumbent shall thereupon be deemed removed and the office vacant.

Section 6. Ballots used in a recall election in said town shall submit the following proposition in the order indicated: For the recall (name of officer) (office held) against the recall of (name of officer ) (office held) immediately at the right of each proposition there shall be a square in which the voter by making a cross mark(X) may vote for either of such propositions. Just above said squares, there shall appear the word "Candidates" and the direction "Vote for one" and beneath this the names of candidates nominated as hereinbefore provided. In the case of machine voting or punch card balloting, or other forms of balloting, appropriate provisions shall be made to allow the same intent of the voter. If a majority of the votes cast on the recall question is in the affirmative, then the candidate who received the highest number of votes for the special election to the vacancy shall be elected. If a majority of the votes cast on the recall question is in the negative, the ballot for candidates to fill the potential vacancy need not be counted.

Section 7. No recall petition shall be filed against an officer of said town within six months after he takes office, nor, in the case of an officer subjected to recall election and not removed thereby, until at least six months after the election at which his recall was submitted to the voters.

Section 8. No person who has been recalled from an office or who has resigned from an office while recall proceedings were pending against that person, shall be appointed to any town office within two years after such removal by recall or resignation.

Section 9. This act shall take effect upon its passage.

The moderator read counsels opinion regarding this bylaw. Town Meeting voted to send the bylaw to a Recall Bylaw Committee and to bring the bylaw back to the 2023 Annual Town Meeting. This passed with a majority vote.

Business being concluded Town Meeting was adjourned at 9:45 P.M.

Respectfully submitted

## Select Board

This report is a reflection from 2022 into early 2023 and a projection of the year to come.

In the coming year, the Select Board will continue to ensure that the Town of Charlemont remains a place to stay, grow, and play.

**As a place to stay.** At the forefront of our minds is that the town has one of the highest tax rates in the Commonwealth. In 2023, we will continue to communicate with Beacon Hill regarding the headwinds we face in delivering basic services to residents. We are asking for additional funding for education, advocating for the Recreation Tax, and aggressively applying for grant funding. We are hopeful over time that these efforts will lower the amount of money that the town will have to raise from property taxes.

At the town level these efforts go beyond the Select Board and are a whole town effort. In 2022 the town obtained **\$1,206,577.20** of grant funding lead by our Town Administrator, Fire Chief, Ambulance Director, and Road Superintendent.

**As a place to grow.** We are focused on sustainability of our municipal services. This includes staffing and infrastructure.

Staffing changes we saw in 2022 were the retirement of two long-time Charlemont department heads. Charlemont Road Superintendent Gordon Hathaway retired after 25 years of service and Charlemont Police Chief Jared Bellows retired after 13 years of service. We thank them both for their years with the town!

In the summer of 2022, the Select Board voted to hire Scott Sullivan as the Charlemont Road Superintendent, and in January 2023 the Select Board voted to hire Jason Pelletier as the Charlemont Police Chief. We are grateful they have joined the town and look forward to working with them for years to come.

For infrastructure, the town has deployed its broadband network allowing all residents to connect. The town continues to replace bridges and improve mud roads. Finally, the town is exploring how to improve its municipal buildings

including efficiency improvements at the Town Hall and a possible municipal complex to move department buildings out of the floodplain.

The Select Board continues to champion the role of volunteers and we have seen town boards welcome many new members!

The Select Board experienced several changes throughout 2022 and early 2023. In May of 2022 Valentine Reid was elected to the Select Board and Daniel Girard was elected Chair of the Select Board. In Fall of 2022 due to unforeseen circumstances, Valentine Reid was chosen to Chair the Select Board. In December of 2022, Marguerite Willis resigned, and in January 2023 Daniel Girard resigned. Both resignations were for unrelated personal reasons. A special election in January of 2023 saw Jared Bellows elected to serve out Daniel Girard's term and William Harker elected to serve out Marguerite Willis's term.

**As a place to play.** The Select Board is evaluating projects for the \$500,000 recreation grant the town secured in 2022. Several public meetings occurred in the Summer of 2022 where the Select Board discussed with the public and the planning board options for uses of the grant. The top recommendation at the time was to use the funds to secure property in the village center with the goal of creating a town beach or something similar. Since this meeting we have not been able to secure property. Possible next steps for this include identifying alternate properties or identifying alternative projects that would support recreation in the Town of Charlemont.

We are thankful for everyone who makes Charlemont the place it is today. Thank you to our employees who do their jobs to provide us with essential services.

Thank you to our volunteers and elected officials who have stepped up to make our town government work. Thank you to all our residents who entrust us with our duties.

CHARLEMONT EMERGENCY SERVICES AMBULANCE  
Charlemont, Massachusetts 01339  
2022 Annual Report

The ambulance service over the past year has, fortunately, had two Emergency Medical Technicians join the service who have completed all requirements and are now actively serving Charlemont. We continue to keep abreast of all updates pertaining to the COVID virus as well as other viruses that are seasonal with a good working relationship with our Board of Health. This allows us to best serve you while protecting you and ourselves.

Over the past year, we have made some changes in how we record our Patient Care Reports. The reports are used to document the care we provide as well as to provide information to the Emergency Department Staff that aids them in their treatment of the patient. The Patient Care Reports are also available to hospital staff for Continued Quality Improvement (CQI) and may provide feedback to an individual or crew to help improve our services to patients. This CQI process is also done in-house by an appointed senior EMT who has experience in reviewing patient care reports and has been approved by our Medical Control Physician or their designee.

Please if you have any interest, or know of anyone, talk to any of our EMT's or send an email to [dana.johnson@townofcharlemont.org](mailto:dana.johnson@townofcharlemont.org).

Respectfully Submitted,

Dana Johnson, EMT-B Ambulance Director

**BOARD OF ASSESSORS  
2022 ANNUAL REPORT**

The Board of Assessors for 2022 were: Karen Rau, Jacqueline Cashin and Anthony Ostroski.

In December, 2022 we set our (Fiscal Year 2023) tax rate at \$20.63/\$1,000 of valuation; a .10 reduction from the prior year tax rate, due in part to a large amount of new growth as discussed below.

**Total Parcel Count, Valuation and Levy Percent by Property Class**

<u>Parcel Count</u>	<u>Classification</u>	<u>Valuation</u>	<u>% of Levy</u>
776	Residential	\$132,973,918	83.9919
20	Commercial	\$10,659,986	6.7333
6	Industrial	\$2,753,700	1.7394
129	Personal	\$11,929,859	7.5354
53	Exempt	\$14,340,200	

**Total Taxable Property Value (Tax Levy):\$158,317,463**

**Property Tax Abatements and Exemptions Approved Fiscal Year 2022 (7/1/2021-6/30/2022)**

(7) Real Estate Abatements: \$1,288.54, (3) Personal Property Abatements: \$217.07 and

(26) Exemptions of Real Estate Tax Totaling \$25,459.98:

- Clause 41C Senior Exemptions: \$8,500 (9 exemptions)
- Clause 17C ½ Surviving Spouse, Minor Child, Elderly Exemptions: \$350 (2 exemptions)
- Clause 22a-f Veteran Exemptions: \$2,000 (5 exemptions)
- Clause 22D Veteran Surviving Spouse Exemptions: \$7,609.98 (2 exemptions)
- Clause 22E Veteran & Surviving Spouse Exemptions: \$6,000 (6 exemptions)

- Clause 37A Blind Persons Exemptions: \$500 (1 exemption)
- Clause 18 Financial Hardship Exemptions: \$500 (1 exemption)

#### **Motor Vehicle Excise Abatements/Exemptions Approved (in Calendar Year 2022)**

1. 2022 Motor Vehicle Excise Abatements: \$2,542.41 (27 abatements)
2. 2022 Farm Plate Excise Exemptions: \$1,086.79 (21 bills exempted)
3. 2021 Motor Vehicle Excise Abatements: \$69.42 (1 abatement)

#### **New Growth and Valuation Increases to the Tax Base**

Charlemont had significant new growth in 2022 (for Fiscal Year 2023); a combination of new construction, new personal property accounts as well as ongoing appraisals of large industrial real and personal property accounts. Some of the larger growth amounts are as follows:

- Massachusetts Electric, New England Power and NSTAR Electric: total combined growth value \$356,109, per appraisals.
- Great River Hydro: \$574,200 total growth value, per appraisal.
- Charlemont MA1, LLC: the new large-scale solar electric generation plant was in place for a full year in 2022, resulting in \$1,047,706 in tax base growth. The full value of the array is \$2,095,411 with an annual in lieu of tax payment of \$48,223.00.
- Rae Properties, LLC: a new industrial warehouse valued at \$380,000 (at 95% complete).
- Additionally, 6 new building lots were created from land that was previously in Chapter 61A, adding \$420,300 in value to the tax base.

Total new growth was \$3,861,914; an increase of \$1,073,980 over the previous year's growth value.

The Board of Assessors meets on the first Monday of the month at 6:30 p.m. in the Assessor's office. To set up an appointment to meet with the Board, please call (413)-339-8586, x2, or email [assessor@charlemont-ma.org](mailto:assessor@charlemont-ma.org), as meeting dates sometimes change due to scheduling conflicts.

## **Charlemont Broadband Committee / Municipal Light Plant**

The town fiber-optic network is now fully operational. Over 480 homes and businesses in Charlemont are receiving broadband internet service. The town internet service costs \$79.99 per month. Optional phone service is available for an extra \$19.99 per month. There are subsidies available for qualifying households, including any families with a Charlemont student. To get connected, contact Whip City Fiber online at <http://whipcityfiber.com/charlemont> or by telephone at 413-485-1251.

Construction of the town fiber network came in under budget at \$3.4 million dollars and was paid for mostly with state and federal grants. The network is operating “in the black” and the subscriber fees are sufficient to cover the operating expenses, a replenishment fund for the network electronics, and to pay off all of the remaining construction debt. The fiber network is self-supporting and has had no impact on the town tax rate.

A major project currently underway is to build a more resilient connection to the internet backbone. This is a cooperative effort between five towns: Charlemont, Colrain, Heath, Rowe and Leyden, each of which each have municipal fiber networks. After linking the five town networks together, we will be able to share three redundant high-capacity links. This project will make the network more resilient against downtime during storms, provide additional capacity for future growth and reduce the operating cost for each of the towns. This project is funded by a multi-town state broadband grant.

Another important initiative is to try to make the town broadband service more affordable. Currently, the Affordable Connectivity Program (ACP) provides a \$30/month subsidy for qualifying households. The broadband committee is working with state planning agencies and nearby towns on additional subsidies and other ways to make affordable high-speed internet available to all of our residents.

The broadband committee would welcome a couple of new members. If you are interested, please reach out and get involved!

Respectfully submitted,

Bob Handsaker (MLP Manager and broadband committee chair)

Members: Mary Ellen Banks, Lora Fulton, Ken Hall, Cheryl Handsaker, Trevor Mackie, Doug White

## **CHARLEMONT CONSERVATION COMMISSION 2022 ANNUAL REPORT**

The primary responsibility of the Conservation Commission is local enforcement of the Massachusetts state Wetlands Protection Act and the Rivers Protection Act.

The Commission must also make site visits and sign off on building permit requests. Residents are encouraged to contact the Conservation Commission before beginning any building project or doing other work on their property, which may fall within a resource area. There are numerous perennial and intermittent streams in our town, as well as ponds and other wetlands that fall within the jurisdiction of the Conservation Commission.

The Commission is always willing to make a site visit to determine if the location or work falls within a resource area. A site visit is free and can prevent future issues and costly remediation.

The Commission phone number is 413-339-4335, x6, x3 or 413-339-8586, x2.

The Conservation Commission also reviews and acts on Requests for Determination of Applicability (RDA's) and Notices of Intent (NOI), as well as issuing Enforcement Orders and Emergency Certifications.

In 2022 The Commission welcomed new members Erica Chenoweth and Barbara Beall. The Commission hosted two multi-town trainings at Hawlemont Elementary School. Member Justin Maynard completed the MACC Wetlands training certificate and Barbara Beall attended the conference and did a training offered by Massachusetts Association of Conservation Commissions (MACC).) The Commission did many inspection signoffs for Whip City Fiber Broadband Installations. The Commission oversaw work on 8A, including an Emergency Certification. They amended an Order of Conditions for Habitat Enhancement at Rice Brook.

The Commission meets on the second Thursday of the month at 6:00 p.m. Site visits and additional meetings are scheduled as needed or requested.

William Harker resigned from the Conservation Commission in February 2023 to serve as Select Board Member.

## Council On Aging

We would like to thank the Charlemont Federated Church for providing space for the Senior Center to meet on Wednesdays. May to October we met under the tent with our bag lunches from home. Mid-November we were able to have meals from Lifepath.

Every other month we have paid half the cost for persons taking advantage of the Foot Clinic, Piper Sagan RN spends about one half hour clipping nails to end with a massage.

Tim Edmonton, storyteller and folk singer, entertained us with his stories using many different stringed instruments. Guitar, banjo and dulcimer were three of several. Some of the songs were with audience participation. A good time with a lot of laughter. Good medicine.

Before we could eat inside at the senior center, we would meet the second Wednesday at Pete's Seafood in Greenfield. They were very accommodating setting up tables and we lined up and ordered in groups of five to ensure our meals would be hot.

Tinky Weisblat entertained us when she came to display her new book " Potluck: Random Acts of Cooking". Serious and funny stories as well as singing.

Meg Ryan, from LifePath, visited us talking about dementia and Alzheimer diseases.

Hawley presented a program with Atty. Hussain Hamdan under the tent. He had the information in print for all present. Highlights were Wills and Probate, Estate and gift Taxes, Power of Attorney, Trusts, Health Care Proxy and DNR. After a question-and-answer period Hawley treated all to pizza courtesy of Berkshire Pizza.

Hawley suggested we have a picnic at the Charlemont Fairgrounds in July. Hawley did most of the set up and provided hot dogs and hamburgers, potato chips and condiments. Charlemont provided side dishes. This was open to all seniors. Plan on another summer picnic. Nurse Lisa White was present to take blood pressures for those who wanted to participate. Carol Foote and Meg Ryan from LifePath were there to offer programs for us to consider. Thank you, COA, from Hawley for your programs.

The Senior Center meets in the social rooms at Federated Church. We are open 10:00 AM to 2:00 PM every Wednesday. To reserve a meal call site manager Lida Bihun Forbes 413-834-7413 by Monday. For information on foot care or other matters Linda Wagner. 413-768-2362. When new faces come in, they are surprised to see others they know and feel at home. Come for a visit. We did have a flu clinic and boosters for Covid. Lisa White RN will gladly administer these shots on the fourth Wednesday with notice ahead of time.

Members of Council On Aging are: Linda Wagner Chair and Treasurer, Marjorie Porrovecchio secretary, Nancy Noonan, Ardis Nolan, Agnes Newland, Betty Hicks and Linda Reynolds.

## Charlemont Finance Committee 2023 Annual Report

The Finance Committee is primarily responsible for advising and recommending to Town Meeting on the budget and other areas of finance. The Finance Committee works with the Select Board, Capital Planning Committee, and Town Administrator during the budget process; reviews the proposed annual omnibus budget and evaluates changes; reviews warrant articles; evaluates projected revenues and estimates funds available; makes recommendations on financial articles at annual and special town meetings; and recommends funding sources.

### FY 2023 Annual Town Meeting:

A total of \$5,063,867 was appropriated for town operations, Broadband/Enterprise Fund operations, and capital articles. This was funded from the following funding sources: Raise and Appropriate \$4,280,400, Free Cash \$520,029, and Broadband Enterprise Fund Operations \$423,000. In addition, \$97,029 of Free Cash was used to offset the tax rate. The table below lists the articles, amount funded and from what source:

### CHARLEMONT FY 2023 ATM SOURCES AND USES

School budget appropriations increased over 13 % from the FY 2022, mostly due to the increase in the Hawlemont Operating Assessment, which was approved with a Prop 2 ½ override. Significant changes to the town operating budget include payrate increases for all staff, offset by a decrease in Debt and Interest payments.

Revenues used to fund approve appropriations include state aid, local receipts, and taxes. Total appropriations raised from property taxes is calculated after applying other revenues. In addition, free cash is used to pay for certain articles and offset the tax rate. The schedule below shows the change in revenue sources over the past five years.

#### Five Year Comparison of Revenue by Source with Enterprise Funds

Fiscal Year	Tax Levy	State Aid	Local Receipts	All Other	Total Receipts	Enterprise
2019	2,757,035	312,013	333,632	175,483	3,578,163	0

\* Does not include proposition 2 ½ override appropriation.

Tax rate is a factor of total assessed property value and the amount needed to be raised by taxation. The Town has one tax rate for all property types. Tax rates over the past 5 years are:

Municipality	Fiscal Year	Residential
Charlemont	2019	19.73
Charlemont	2020	19.51
Charlemont	2021	20.48
Charlemont	2022	20.73
Charlemont	2023	20.63*

\* Does not include proposition 2 ½ override appropriation.

A comparison of Charlemont's tax bill compared to neighboring communities shows that the town has the 4th lowest average single family property value but the average tax bill is the 3rd highest. In addition, the Town has the 4<sup>th</sup> highest average tax bill as a % of income.

Municipality	Fiscal Year	Single Family Values	Single Family Parcels	Average Single Family Value	Single Family Tax Bill	DOR Income Per Capita	Average Tax Bill as a % of Income

# Board of Health

## Annual Report 2022

The work of the Board of Health is detailed below. The past several years, dominated by issues surrounding Covid, proved stressful. We wish to thank residents and businesses for their co-operation.

Charlemont remains a member of the Co-operative Public Health Service. The Board of Health engages in many activities, including:

**Infectious diseases:** subsidized tick testing, vaccine clinics, and disease surveillance;

**Housing:** Involvement in housing assessment and improvement;

**Training:** Board members attend various training programs relevant to Public Health law and practice;

**Business/Industry:** helping local businesses with regulatory compliance.

For 2023, the Board will continue to offer subsidized tick testing (contact the laboratory at [www.tickreport.com](http://www.tickreport.com)), nursing services on every third Wednesday of the month and at Good Neighbors at the Federated Church on every third Tuesday, and vaccination clinics and home visits for those in need.

For a more detailed accounting of what we did this past year, see the Co-operative Public Health Service annual report.

Respectfully Submitted by,

Doug Telling Co-chair

Rob Lingle, Co-chair

Mae Tanner

## Cooperative Public Health Service

### Services to Charlemont – 2022

The Town is a comprehensive member of the CPHS, a health district based at the Franklin Regional Council of Governments. FRCOG's regional health staff provide professional support to the Board of Health for all public health issues. Other neighboring towns sharing the same public health staff include Bernardston, Buckland, Colrain, Conway, Gill, Hawley, Heath, Leyden, Monroe, Rowe, and Shelburne, and the nursing only towns of Ashfield, Erving and Northfield. The Town's regional staff include Program Manager Randy Crochier, Health Agent Kurt Schellenberg, Public Health Nurses Lisa White and Meg Ryan and Public Health Educator/Epidemiologist Maureen O'Reilly.

CPHS activities on behalf of the Board of Health in Charlemont during 2022 included:

- Facilitated COVID-19 and flu vaccine clinics between state mobile vendors and local schools, senior centers and libraries. These clinics served over 1,000 individuals in West County, including many Charlemont residents.
- Completed state-mandated infectious disease surveillance/contact tracing and reporting for communicable disease cases in district member towns, including 142 Charlemont cases, 129 of which were COVID-19.
- Partnered with local libraries, Better Life Partners, and other local recovery groups on a West County community training on how to identify an overdose and what to do.
- Hosted Walk-in Wellness nursing hours at the Senior Center and Good Neighbors at Charlemont Federated Church: they saw 80 different people for a total of 92 separate visits
- Gave 363 Flu and 548 COVID vaccinations at CPHS Walk-in Wellness hours, vaccination clinics, and home visits. Among these, Charlemont residents received 54 vaccines.
- Offered sharps collection and box exchange in collaboration with Franklin County Solid Waste Management District at all CPHS Walk-in Wellness hours: 118 boxes were exchanged.
- Supported the Franklin County Age- and Dementia- Friendly Communities initiative by enrolling 5 new towns, conducting a survey of needs and 4 focus groups for early 2022, and gathering participants for work groups to identify priorities from survey results, and speaking to the Charlemont COA about the initiative.
- Served on the Mohawk Trail Regional District's COVID-19 Task Force on behalf of the Board of Health.
- Provided guidance and training to the Board of Health members serving as agents for the Town.
- Offered tick prevention materials and help for residents accessing tick tests. Through a district program and Department of Public Health subsidy, 8 Charlemont residents received low-cost tick tests, a value of \$240. Of Charlemont ticks tested, 37% were found to be positive for the Lyme Disease Pathogen, and 12% for the Anaplasmosis pathogen.
- Assisted businesses with the CPHS on-line permitting system, and provided technical support for annual permit applications. Processed 66 local and regional annual permits for Charlemont.

Organized two low-cost 3-in-1 Food safety trainings (ServSafe®, Mass Allergens Awareness

- and Choke Saver with use of EpiPen® and Narcan®) for town residents and business employees
- Enforcement of the Title-5 (septic) code for the town included: Conducting 9 Soil Evaluations for septic systems; reviewing 12 septic system plans, visiting these sites, conducting final installation inspections, and preparing Certificates of Compliance; witnessing 9 Title-5 Inspections prior to property transfer; and issuing 3 local upgrade approvals and DSCP (septic) permits.
- Provided oversight and guidance to permit and inspect the installation of a new large septic system at the Berkshire East Ski Area to serve the Town of Charlemont
- Conducted 21 retail food inspections; inspected 1 pool for safety; inspected 6 campgrounds/mobile home parks, permitted 4 wells; and continued to assist Charlemont businesses and residents with sanitary code compliance. Permitted and inspected 11 temporary food establishments.
- Inspected multiple housing cases with varying degrees of complexity

- Licensed and inspected 14 short-term rental units.

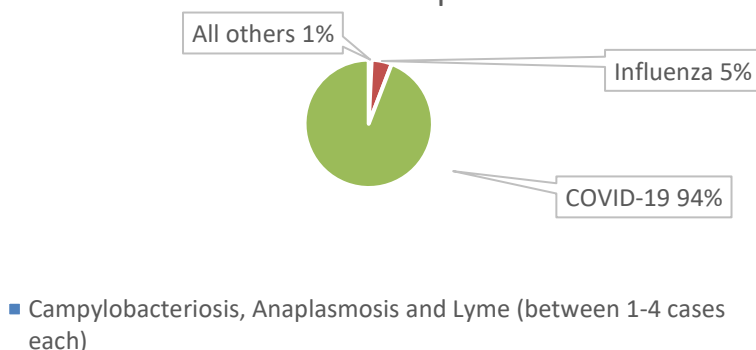

In addition, FRCOG staff:

- Provided funding and technical assistance for efforts to increase school-connectedness for students in the Supported Classroom program at Mohawk Trail Regional School and funding for school-connectedness activities for students and their families at Hawlemont Regional Elementary School.
- Provided funding and facilitation support to the Mary Lyon Foundation for the creation of the West County People Supporting People Network, which met quarterly to bring together providers from the county's healthcare and human service sectors with community stakeholders in West County, including one meeting at the Fairgrounds in Charlemont.

We thank the residents of Charlemont for the opportunity to serve them and look forward to working closely together to improve the health of the community in the coming year!

*Charlemont's representatives to the CPHS Oversight Board in 2022 were Mae Tanner and Doug Telling, Board of Health Members. For more information: [www.frcoq.org](http://www.frcoq.org)*

### Franklin Regional Council of Governments Services to Charlemont in 2022

The FRCOG provides planning services, programming, and advocacy to all Franklin County municipalities. Our municipal service programs – Collective Purchasing, Cooperative Public Health, Cooperative Inspection, and Town Accounting – are available to any municipality. The Community Health programs provide substance use and chronic disease prevention; the Planning Department assists with local planning and larger regional projects; and the Emergency Preparedness and Homeland Security Programs prepare and train first responders and health officials.

The following pages list services specific to Charlemont.

### **Climate Resilience and Land Use**

- Provided technical assistance to the planning board to prepare zoning bylaw changes addressing agricultural land use, solar facilities, and telecommunications facilities and assisted with the public hearing process.
- Assisted the town administrator with completing the FY22 MA Green Communities Annual Report.

### **Community Health**

- Conducted the annual student health survey to assess attitudes and behavior among middle and high school students. Reported to Mohawk Trail Regional School (MTRS) District administrators on results from 112 Mohawk students, representing 82% of the 8th, 10th, and 12th grade classes. Survey data meets federal requirements for the school and is valuable for grant writing and program planning.
- Provided resources for advancing racial justice in schools to the MTRS district.
- Provided coaching on restorative practices in MTRS District.
- Provided training, materials, and technical assistance for the new, evidence-based PreVenture substance use prevention and mental health promotion program in the school district.
- Provided funding and technical assistance for efforts to increase school-connectedness for students in the MTRS Supported Classroom program, including food safety and CPR/first aid training.
- Provided funding for school-connectedness activities for students and their families at Hawlemont.
- Provided funding and facilitation support to the Mary Lyon Foundation for the creation of the West County People Supporting People Network, which met quarterly to bring together providers from the county's healthcare and human service sectors with community stakeholders in West County, including one meeting at the Charlemont Fairgrounds.

### **Economic Development**

- Coordinated the creation of the Deerfield River Outdoor Recreation Study; the Deerfield River Connectivity Project Report, which provided information on how WiFi connectivity could be improved at key river access locations; the Upper Connecticut River Public Safety Map; and signage to identify emergency take-out areas along the upper sections of the Deerfield River.
- Secured permitting from the MA Department of Transportation and funded three porta-potties for three months at the Shunpike Rest area for use by outdoor recreation visitors.
- Met with the town administrator to discuss the municipality's priority town projects seeking funding.

### **Shared Municipal Services**

- Charlemont contracted with the FRCOG to receive collective bid pricing for highway products and services, including rental equipment; heating and vehicle fuel; school district fire extinguisher services; and dog tags and licenses. Staff also facilitated a construction bid for improvements to Route 8A under a MassWorks Grant.
- The FRCOG Cooperative Inspections program issued 52 building permits, 39 electrical permits, 38 plumbing/gas permits, and 13 Certificates of Inspection for Charlemont in 2022.
- Charlemont is a comprehensive member of the Cooperative Public Health Service (CPHS), a regional health district based at the FRCOG. CPHS staff:
  - Facilitated COVID-19 and flu vaccine clinics between state mobile vendors and local schools, senior centers and libraries. These clinics served over 1,000 individuals in West County, including many Charlemont residents. Additionally, nurses gave 363 Flu and 548 COVID vaccinations at

CPHS Walk-in Wellness hours, vaccination clinics, and home visits. Among these, Charlemont residents received 54 vaccines.

- Completed state-mandated infectious disease surveillance/contact tracing and reporting for communicable disease cases in district member towns, including 142 Charlemont cases, 129 of which were COVID-19.
- Collaborated with local libraries, Better Life Partners, and other local recovery groups on a West County community training on how to identify an overdose and what to do.
- Hosted CPHS Walk-in Wellness nursing hours at the Charlemont Federated Church Senior Center and Good Neighbors: saw 80 Charlemont/Hawley residents for 92 separate visits.
- Offered sharps collection and box exchange in collaboration with Franklin County Solid Waste Management District at all CPHS Walk-in Wellness hours: 118 boxes were exchanged.
- Supported the Franklin County Age- and Dementia- Friendly Communities initiative by enrolling 5 new towns, conducting a survey of needs and 4 focus groups for early 2022, gathering participants for work groups to identify survey results priorities from survey results, and speaking to the Charlemont Council on Aging about the initiative.
- Served on the MTRS District's COVID-19 Task Force on behalf of the board of health.
- Provided guidance and training to the board of health members serving as agents for the town.
- Offered tick prevention materials and help for residents accessing tick tests. Through a district program and Department of Public Health subsidy, 8 Charlemont residents received low-cost tick tests, a value of \$240. Of Charlemont ticks tested, 37% were found to be positive for the Lyme Disease Pathogen, and 12% for the Anaplasmosis pathogen.
- Assisted businesses with the CPHS on-line permitting system, and provided technical support for annual permit applications. Processed 66 local and regional annual permits for Charlemont.
- Enforcement of the title-5 (septic) code for the town included: conducting 9 soil evaluations for septic systems; reviewing 12 septic system plans, visiting these sites, conducting final installation inspections, and preparing certificates of compliance; witnessing 9 title-5 inspections prior to property transfer; and issuing 3 local upgrade approvals and septic permits.
- Provided oversight and guidance to permit and inspect the installation of a new large septic system at the Berkshire East Ski Area to serve Charlemont
- Conducted 21 retail food inspections; inspected 1 pool for safety; inspected 6 campgrounds /mobile home parks, permitted 4 wells; and assisted Charlemont businesses and residents with sanitary code compliance. Permitted and inspected 11 temporary food establishments.
- Inspected multiple housing cases with varying degrees of complexity
- Licensed and inspected 14 short-term rental units.

- Completed the MassTrails funded Western Massachusetts Mountain

Biking Project, which included creating a map for the trails in Dubuque State Forest.

- Conducted traffic counts on Colrain Road, South River Road, Tower Road and Zoar Road.
- Completed planning and pre-implementation work for the installation of Franklin County Bikeway wayfinding signs.

## **FRANKLIN COUNTY SOLID WASTE MANAGEMENT DISTRICT 2022 ANNUAL REPORT**

To the Residents of the Solid Waste District:

The Solid Waste District was formed in 1989 to help Franklin County towns manage all aspects of their solid waste – recyclables, organics, hazardous waste, wastewater treatment sludge, and trash. We continue to provide assistance to twenty-one member towns through administrative support, professional consultation, trainings, and outreach to residents and businesses.

A review of recycling tonnage for 2022 shows a decrease of 200 tons of recycling compared to 2021. District residents recycled just over 2,500 tons of paper and containers. The recyclables were processed at the Springfield Materials Recycling Facility and sold, primarily to domestic companies, to be recycled.

We returned to holding our Clean Sweep bulky waste collections in 2022 with events in May and October. Events were held at Mohawk Trail Regional High School, Northfield highway Garage, and Whately transfer station. The May event was the first one held since October 2019 due to the pandemic. Combined, the events served almost 600 households and collected over 60 tons of bulky waste, scrap metal, appliances, electronics, propane tanks, tires, and other items.

We held our annual household hazardous waste collection in September 2022 at Greenfield Community College and Orange transfer station. This event allows residents to properly dispose of toxic cleaners, automotive products, pesticides, and other toxic products. A total of 374 households participated in this event. Residents have access to other hazardous waste collection events in the Pioneer Valley.

We applied for and received grants from the Massachusetts Department of Environmental Protection worth \$101,400 for District towns. This grant funding is a result of a town's successful waste management infrastructure.

If you have questions about District programs, call us at 413-772-2438 (MA Relay for the hearing impaired: 711 or 1-800-439-2370 TTY/TDD), visit our website at [www.franklincountywastedistrict.org](http://www.franklincountywastedistrict.org) or visit us at 117 Main St. in Greenfield.

## **Annual Report for the Calendar Year Ending December 31, 2021**

To the reader:

The Franklin Regional Retirement System is a government agency that serves the 627 retirees, 50 beneficiaries, 1,086 active employees, and 681 inactive members of the towns and agencies in Franklin County. We are organized under Chapter 34b, and subject to the provisions of Chapter 32 of the Massachusetts General Laws. We receive oversight on the state level from the Public Employee Retirement Administration Commission (PERAC). We contract with an independent auditor to do a full audit of our system each year. We also contract with an actuary to perform a complete actuarial valuation every two years. PERAC audits our operations and financial records every three years.

The retirement benefit we provide replaces participation in the Social Security system and is described as a “defined benefit”, which means that we pay monthly retirement benefits based on the age, salary, and number of years worked at the time a member of our system retires. To be a member, an employee in one of our government units must be working in a permanent position scheduled at 20 hours or more per week and earning \$5,000 or greater annually. Funding of these benefits begins with deductions from the member, and combined with matching funds from the employing unit, are invested in a mix of stocks, bonds, and indexed funds. Investment earnings are a large part of the funding of retirement benefits, and the allocation of those funds are spread to a variety of sectors to take advantage of positive activity as it occurs in each sector. Please make note of our investment performance percentages in the chart on the next page.

Up until 1988, we were a “pay-as-you-go” system. In 1988 it was legislated that we begin saving to become “fully funded” over the ensuing 40 years. Fully funded means we have enough in reserves to pay for all the current and future potential benefits of our present membership. At the end of 2021, we are 97.7% funded at 33 years (82.5%) into the 40-year mandate.

Our fiscal year is the calendar year; therefore our annual report is not filed until May of the subsequent year, and as a consequence the information provided herein will be a year old by the time you read this. Current reports and information can be found on our website: [www.FRRSMA.com](http://www.FRRSMA.com).

What follows is a synopsis of our annual report, as filed with our state oversight commission, PERAC. The full PERAC report can be read on the “Finances” page of our website.

## **Charlemont Highway Department 2022 Annual Report**

I would like to start this year's annual report by introducing myself, my name is Scott Sullivan. I am a native of Franklin County. I have about 15 years of experience with road construction and maintenance. I started as your Highway Superintendent August 29, 2022. I have already met a lot of nice people, and look forward to working with the residents in the future. I would also like to thank Gordon Hathaway for helping me get settled in and giving me many history lessons of the Town's infrastructure, roads and so much more. This type of knowledge is irreplaceable.

This year we cleaned a lot of ditches on the sides of the roads. This is very important because it allows the water to flow away from the road and that will protect the stability of the subgrade of the road. We also replaced culverts that were failing on the roads we paved this year. We were able to pave Laurel LN, Tower Rd and South River Rd. Late this fall we were able to work on a bank stabilization project on West Hawley Rd. The headwall to a large culvert was in danger of collapsing, so we stabilized the bank, potentially avoiding a road closure.

I want to thank the residents for their patience during mud and snow/ice seasons. I understand how frustrating it can be. We try our hardest to keep the roads safe and passable for you.

One way you can help is to minimize snow blockage at the end of your driveway and that will help prevent mailbox damage. Please refer to the following sketch to learn how to remove snow to minimize excess driveway plow windrow blockage and damage to your mailbox.

Please take a moment every fall to inspect your mailbox and post to make sure they are secure. Lastly, I want to thank our Highway Department crew for the warm welcome and the help they have given me. They are all team players and take pride in what they do.

Respectfully Submitted, Scott Sullivan

## **Charlemont-Hawley Arts Council Report for 2022**

THE CHARLEMONT-HAWLEY ARTS COUNCIL WELCOMES YOUR FEEDBACK! If you have questions, suggestions, or comments about any of our activities, please contact any member of the council. In Hawley, that would be Peter Beck, Ryan Brownell, Joanne MacLean, and Tinky Weisblat; in Charlemont, Anna Otto, Andrea Santos, Kate Stevens, and Julia White. Of course, Hawley residents may talk to Charlemont members and Charlemont residents may talk to Hawley members.

Meanwhile, here is a brief report on what we have been up to. We allocated more than \$10,000 in 2022 in state funds to individuals and groups in our towns for the grant cycle.

We also used some of the leftover funds from 2020 and 2021 as individuals and groups were finally able to present some of their programs that had been postponed because of COVID-19.

We continued to place a priority on education, funding events at Hawlemont School such as the weaving program and a trip to the corn maze. We also gave the Pioneer Valley Symphony funding for an education concert that included Charlemont and Hawley students.

We helped fund concerts in Charlemont, including the Mohawk Trail Concerts summer season, as well as a few nearby; we were happy to help out with Heath Fair music in particular. We followed through on our commitment to diversity through grants to Indigenous Voices in the Berkshires, Racial Justice Rising, and KlezCummington.

We supported poetry, theater, the creation of visual art, and the discussion of social issues (i.e. the Charlemont Forum).

A full list of programs our towns have funded, as well as our local guidelines and other information, may be found at <http://www.mass-culture.org/Charlemont-Hawley#>. Our emphasis is on programs that take place in our two-town area, and we are politically neutral as required by the state: that is, we do not take politics into consideration when making decisions about grants.

Our Facebook page may be found at <https://www.facebook.com/charlemonthawleyculturalcouncil>.

We love helping our towns support the arts in our communities. We encourage all townspeople to attend as many local cultural events as possible.

## **Charlemont Police Department Annual Report** **2022**

2022 was a busy year for our department. The town of Charlemont had 1,100 calls. The vast majority of these calls were directed to the police department, and we assisted the fire department and ambulance service with the rest.

In 2022 our department made 171 motor vehicle stops and issued 34 citations totaling \$3,075 in fines. The department also conducted 22 investigations into reported crimes, investigated 36 motor vehicle crashes, and made 3 arrests.

Our efforts to slow traffic in the village have now been augmented with radar equipped speed limit signs on each end of Main Street. Our efforts will continue with this issue.

During the summer months we continued our efforts on the river despite having less personnel than in previous years. We issued approximately 35 parking tickets and towed about the same. Reported crimes on the river were very low in 2022 even with the large number of people from outside the area frequenting our town for recreation.

Respectfully submitted, Chief Jason Pelletier

TO THE SELECT BOARD AND RESIDENTS OF CHARLEMONT:

In 2019, the Towns of Buckland, Colrain, Gill, Heath, Monroe, Northfield, and Shelburne join in partnership with the Franklin County Sheriff's Office to create the Franklin County Regional Animal Control program to provide full-time services to these towns.

During 2022, the Regional Animal Control Program welcomed the Towns of Bernardston, Conway, Leyden, and New Salem. With the addition of these (4) towns, the Regional Animal Control Program now provides Animal Control Services for (12) Towns. We also welcomed the addition of a part-time Animal Control Officer (Judie Garceau) to the program.

During 2022, Franklin County Regional Animal Control logged 693 calls for service between January 1<sup>st</sup> and December 31<sup>st</sup> 2022.

## Superintendent of Schools Town Report - 2022

It is a pleasure and honor to continue serving as your Superintendent of Schools. It has been a year with much to celebrate as students and staff have experienced a spring and fall of in-person learning. As we learn to manage the lingering effects of the pandemic, we are focusing on ensuring students have the learning support they need to be successful every day. I am incredibly grateful for the collaboration with local town officials, community members, and families as we move forward to address the challenges and celebrate our successes.

The school districts have continued to focus on improving our technology infrastructure for in-person instruction through device replenishment and touch screen projection equipment. Every classroom in every school in Mohawk Trail Regional School District (MTRSD) now has a Clear Touch instructional projection device. In the Hawlemont Regional School District (HRSD), additional touch screens have been purchased and shared throughout the school. Our capital improvement projects in MTRSD have been completed. Again, thank you to the Capital

Improvement Working Group for their time and thoughtful approach to ensuring our schools receive the needed attention and repairs necessary. We are excited to begin our solar project for MTRSD at the middle high school. While the project will create important savings in our operating budget, it will also generate green energy for the school. Thank you to our Outdoor Learning Committee for bringing this proposal forward and through completion.

We continue to advocate for the unique needs of students, families, and schools in our rural district and across the Commonwealth to sustain high quality, equitable education for our communities. We have worked with Representative Natalie Blais to ensure that the Rural Commission Report Recommendations are a key priority in legislation moving forward. We have support from the Massachusetts Association of School Superintendents, Massachusetts Association of School Committees, the Massachusetts Teachers Association, and the Massachusetts Municipal Association to advocate for the recommendations that would address the goals of the Student Opportunity Act beyond the initial phase of supporting districts and communities with substantial high need student populations.

Literacy continues to be a key focus area for both districts. Our District Literacy Leadership Team has chosen Wit and Wisdom for grades 7 and 8 and EL Education for Kindergarten through grade 6. Our work with the Hill for Literacy on the science of reading has continued as well as support from EL Education for implementation of our new curriculum. In addition, all elementary schools now have a common schedule so that students across the district have the same access to rigorous curriculum and instruction. We have continued our partnership with the Mary Lyon Foundation in support of our literacy focus, and extend our sincere appreciation for their collaboration.

A third key curriculum priority in all schools continues to be social-emotional learning. Our students continue to build resiliency in our post-pandemic and very digital world. Our guidance and adjustment counselors are key personnel in this effort throughout both districts. Our ESSR II and ESSR III funds continue to support enrichment and summer programming for our students and these programs demonstrate the amazing kinds of experiences our students have! Our biking program, hiking, winter animal tracking, ski club, STEM, kayaking and babysitting classes are just a few examples.

We continue to implement our [strategic plan](#) and the four key priority areas designed to move our district forward. These priority areas include building community, innovating, investing in our shared future, and fostering an inclusive community of learners. HRSD has also developed a strategic plan to address the challenges and build on the unique and special nature of being a small rural elementary school. It's exciting to see the enthusiasm for our learning community. Our students are amazing athletes, musicians, artists, leaders, and friends and demonstrate what it means to be a Trailblazer: we are unique and our educational paths are filled with exploration, curiosity, individualized learning, community involvement and deep connections. This is evident in so many areas of our districts. I continue to be extremely proud of our students, families, staff, and community as we have worked together to celebrate our learning community and look to the future to address the unique challenges facing our rural community. I look forward to continuing this collaboration in the years to come.

 2022 Annual Report  
 Special Education and Pupil Services Report

The Mohawk Trail Regional and Hawlemont Regional Special Education Department serve students in the Sanderson, Colrain, Hawlemont, Buckland-Shelburne, and Mohawk Trail Regional Middle and High Schools. The primary function is to ensure that students with an IEP (Individual Education Plan) or a 504 are being serviced at a level required to make effective progress with supports outlined in their IEP or 504. The Department of Pupil Services oversees special education, Title IX, Civil Rights, and ELL.

English Language Learner	5.5	5.5	12.1
Low-income	59.3	59.3	42.3
Students With Disabilities	25.3	25.3	19.4
High Needs	68.1	68.1	55.1

Services provided to students are in several areas: speech and language, occupational therapy (OT), physical therapy (PT), counseling, academics, and English as a second language. The OT and PT spend about one day in each school. All schools have a full-time Speech Language Pathologist vs sharing an SLP and an assistant. This model changed two years ago to increase consistency and support for our students while being cost-effective. With an increased need for counseling services for all students, each school has begun to increase this level of support. BSE, Colrain, and Sanderson have a full-time school psychologist. Due to staffing, Hawlemont has a counselor and contracts out for psychological assessments. The Middle and High Schools have two full-time Adjustment Counselors (vs an additional guidance counselor) and School psychologist. The need for counseling support has increased dramatically and the ability for our students to access counseling in the community is extremely limited due to our location and size of wait lists. The level of services in each building is based on population, need, and level of services legally required by an IEP.

During the 2021-22 schoolyear, we have returned to full in-person learning and are not serving students remotely. We do continue to offer virtual IEP meetings for caregivers, which supports their work-life needs.

The district is legally obligated to support a SEPAC (Special Education Parent Advisory Committee). A small core group of parents began the process in the spring of 2021 to reinvigorate the SEPAC. At this time, both parents have stepped down because their students are no longer involved in special education. We will continue to seek out new parents to support the SEPAC.

The district continues to support several substantially separate programs for students.

- Students requiring the support of a BCBA (Board Certified Behavior Analyst):  
The program is located at BSE and currently serves seven students. When the program began, students spent more than 50% of their time within the program. Currently, those students are in their mainstream classes more than 80% of the time.
- Mohawk Supported Classroom, located in the Middle and High School: The program supports students with social and emotional needs. Students receive educational support both in the program and within the general education setting.
- The district has a program in the middle school that supports students with intellectual delays and requires a substantially modified program. Additionally, there is a vocational program at the secondary level that supports eligible students until they are 22. The goal of the program is to develop work habits and interests and support community-level jobs. Students participate in community job sites such as Berkshire East and Aubuchon. We are grateful to the local businesses for supporting our students.

### **2022 Annual Report of the Principal Mohawk Trail Regional School**

#### Feedback and Communication

Starting in January of 2022 I established routes for feedback and communication from all MTRS stakeholders. These included bi-monthly drop-in hours, a student advisory group, as well as quarterly *How are we doing?* Surveys to students, families and staff. These ongoing structures continue to provide opportunities for community members to give immediate feedback on what goes on at MTRS. In addition to the Local Educational Committee and the Outdoor Advisory Committee, these mechanisms also provide input into both the school and district improvement plans.

## Barr funding and Innovation

In October of 2022 MTRS received \$160,000 from the BARR foundation. This represented the final payment for the grant awarded to support the continued redesign of Mohawk Trail Regional School. This payment has allowed us to continue to implement new initiatives and curricular programming to redesign the school experience for all students. Over the course of the past two years, students, staff, and community members have engaged in professional development and working groups in order to implement the new Trailblazer Model; Most recently seven teachers attended a site visit at Casco Bay School district to help inform and refine our model of teaching and learning:

*Mohawk Trail Regional School is tailoring the most innovative work in the field of education to fit our rural district as we design the Trailblazer Model. We are building on the best of what we have while challenging the status quo to make education relevant and meaningful for our students. They will acquire 21st century skills while pursuing their individual passions, as they blaze a trail to graduation. Students will lead their own learning, break down the boundaries of traditional classes, and learn by doing. Experiences at MTRS will move our students beyond textbook knowledge. They will use research to solve real problems, intern at local businesses, design independent projects, and take courses at local colleges. In return, our community will flourish from the increased partnership with our school. MTRS graduates will be curious, adaptable, independent, and motivated citizens who seek to do good work in the world.*

The Trailblazer Model has six key focus areas: high quality instruction, advisory and social emotions learning, communications and community outreach, distributed leadership, portfolios and equity. This model engages all stakeholders in a transformational school experience including:

- Internships and work study opportunities, on campus and off
- Interdisciplinary courses such as STEM, Bioethics, Artglish, and American Democracy
- Social Emotional Learning supports including: Advisory model for all grades 7-12, site based therapeutic services, and college and career planning
- Portfolio of student work
- Senior Capstone project culminating with a site based internship
- Community outreach including a Trailblazer Community Group comprised of staff, parents, students and community members that meets several times a year.

We have continued to partner with national education organizations: Next Generation Learning Challenges (NGLC) and EL Education. NGLC and EL Education have been working with MTRS teachers and administrators to transform classrooms to be more student-centered and to develop rigorous and diverse ways in which students can demonstrate their learning. In addition, EL Education continues to assist teachers in the development of interdisciplinary, hands-on activities that will engage students in rigorous community-based projects. NGLC and EL have continued to support our Instructional Leadership Team and Portfolio Working Group to develop

a comprehensive portfolio model and to prepare students to drive student-led conferences. Teachers will continue to guide students through the compilation of an individualized portfolio that demonstrates who they are as a learner and goals they set for themselves. NGLC and EL will also work with teachers to develop assessments that connect to 21st century skills and the real world.

In addition to EL Education and NGLC, MTRS has partnered with Firefly Worldwide Inc and their founder and CEO Cheyenne E. Batista. Ms. Batista continues to work with the MTRS Equity Council in their implementation of an anti-racism strategic plan with a focus on curriculum, communication, and policy.

### Culture building

We continue to make significant community building strides as we “come back” after COVID-19. This intention is personified through the three slogans in the entry lobby at MTRS:

- I am part of this community
- I can contribute in a positive way
- I will be accountable for my words and actions

We continue to focus on relationship strengthening and community building through our advisory program in 7-12 as well as regular student-led whole school assemblies on Wednesday mornings.

### Distributed leadership and District-Wide structures

A number of staffing changes have been made in service of continuing to promote and support the Trailblazer model of distributed leadership and increased Social and Emotional Learning student need: The school admin team was reconfigured to provide greater student culture support through the role of Dean of Culture. In addition, the role of Athletic Director was enhanced to be District Athletic Director in order to focus on the growth and promotion of sports in the district as well as a specific intention to have students continue to remain at MTRS in grades 6 and 9, the point at which they might change schools and districts.

Distributed leadership continues to be evident through the work of the teacher based Instructional Leadership Team (ILT) and their work in designing and delivering staff PD on Standards Based Teaching and Learning development as well as piloting Student-led Conferences.

Academic structural changes have also come about as a result of a continued focus on student need, distributed leadership and helping support students returning to school from COVID-19. In the current school year, these include the creation of the role of a District Literacy coordinator to help support the district focus on literacy and Middle school staff as they piloted El and Wit and Wisdom ELA curriculum.

### College and Career Supports

MTRS continues to focus on supporting students taking their learning beyond the classrooms. This is evident through the links that the Work based learning and Internship coordinator makes with Capstone students in grade 12 and also through the 7-12 project week in the late Spring semester.

In addition to our continued dual enrollment relationship with Greenfield Community College (GCC), we are pleased to be a partner in their Incubator grant, intended to increase student attendance in higher education in Franklin County. 2022/23 will see plans to work with GCC to provide more early college opportunities for MTRS students in grades 7-12.

Finally, we are incredibly grateful for the help and support of the Mary Lyon Foundation who secured a \$28,000 donation specifically to build a College and Career speakers center in the library. This was officially opened at the Open House in September

### Tiered Student Supports

In addition to our Mohawk Trail Separate Classroom and Vocational programs, this year we are piloting a new program as part of our tiered intervention support for some of our learners. Bridge for Resilient Youth in Translation (BRYT) program provides clinical support and academic coordination services for students who are reintegrating back into full time education after missing extensive learning due to health, medical or life transition challenges.

### Field Trips

While transport costs are still challenging, we continue to look at innovative ways to provide students with learning experience outside of the classroom. To date this year, teachers have led field trips to the following locations:

Smith College, GCC, UMASS Amherst, Springfield College, Amherst Art Museum, Boston Aquarium.

### Technology

This year has seen the district transition to SUZOR for software, hardware and school data management. Additionally, MTRS has invested \$130,000 in 34 Cleartouch devices for teaching and learning in all specialist classrooms.

### Community Involvement

We continue to be thankful for parents and care providers for their active involvement in MTRS life through the Local Education Committee (LEC) and also the newly formed Outdoor Advisory Committee (OAC). The former is a great way to have family input and feedback on school improvement planning and the latter has been instrumental in providing community voices on how we continue to seek to use teaching and learning spaces and environment as effectively as possible. The OAC has been vital to helping develop our outdoor classroom and in helping the district with its solar panel project at MTRS.

Other community wide opportunities such as Open House, the Celebration of Learning and the Mohawk Trail Athletic Association (MTAA) organized Spring Fling continue to imbibe MTRS with positive community spirit.

### Music and Theatre

We are really pleased with the resurgence of music and drama at MTRS in the past year. As well as a spring musical in 2022, *Bits of Broadway*, and a district Spring concert, Fall of 2022 saw two performances of *Axe of Murder*, our Winter play.

### Athletics

The Mohawk Trail Athletic Department has gone through a restructuring process in FY23 by hiring Ashfield's Greg Lilly to assume the role of District Athletic Director. In contrast to previous Athletic Directors, Mr. Lilly is now responsible for overseeing Mohawk Trail's athletic programs district wide, K-12. This change was made to ensure the health of our high school programs by investing time and resources into the sustainability of our youth and feeder programs.

This past fall, our West County Youth Soccer program had 187 participants from grades K-6 from our elementary schools. These are unprecedented numbers for a youth sports program in our district. Much of the credit for such high participation numbers goes to Ashfield's Tina Miller and Buckland's Jake Thurber, along with dozens of other coaches and volunteers who have worked tirelessly to give our students every opportunity to succeed on the pitch.

This winter also saw never before seen participation numbers in our Hilltown Basketball League! The district was able to field a total of 15 teams between our three elementary schools, Hawlemont, and New Hingham Elementary. All told, there were 158 elementary students playing hoops this past season. Also, for the first time in 4 years, Mohawk Trail was able to field a 5th and 6th grade Suburban travel team, coached by Shelburne's Fred Redeker and Buckland's Tim Budrewicz. This group had the opportunity to travel all over Western Massachusetts and face an extremely high level of competition.

At the Middle and High School levels, our athletes and teams have been struggling with low enrollment numbers. However, this has not prevented them from succeeding at the absolute highest level! Participation levels for athletics at Mohawk Trail are WELL above state and national averages and should remain that way for the foreseeable future.

This past fall, our Middle School Football team enjoyed an UNDEFEATED season, while also getting the opportunity to play night games under the lights on Pollard Field for the first time in history! In addition to this, our Volleyball, Girls Cross Country, and Boys Cross Country teams all qualified for the MIAA state tournament. All told, 7 of our 8 fall teams came away with winning records!

This winter is also shaping up to be one for the record books! Both our Boys and Girls Alpine Ski teams are looking to continue a 40-year tradition of dominance on the slopes. The Boys are

well on their way to another league championship, while our Ladies are poised to repeat as STATE CHAMPIONS!

Another bright spot for the Mohawk Trail Athletic Department is the Girls Middle School basketball team! They suffered only two losses on the season while playing a schedule against high school competition! The future is very bright for our ladies.

With the end of the pandemic, The Mohawk Trail Athletic Association has also seen a resurgence, and is always looking for volunteers to help coordinate its many fundraising efforts. The MTAA is the district's primary athletic booster, and aids our student-athletes by purchasing uniforms, athletic equipment, and anything else that our teams need to help them succeed! The future of Mohawk Trail Athletics is very bright, and our entire athletic family is working tirelessly to ensure it stays that way!

#### Student numbers

At the mid-point of the 2022-2023 school year, student enrollment in grades 7-12 is 286. Current enrollment numbers for middle school include approximately 73 students in seventh grade and 68 students in eighth grade. Enrollment for ninth grade is 42 students; 10<sup>th</sup> grade with 36 students; 39 members of the Junior class, and 26 MTRS seniors. We have 4 students enrolled in our post-graduate program.

### **2022 Annual Report of the Principal—Hawlemont Elementary School**

Hawlemont Elementary School's vision is a community of learners where everyone will flourish. To flourish, we will work together to foster positive emotions, active engagement, strong relationships, meaning in our work, and acknowledge accomplishments. This year, the Hawlemont community demonstrated our teamwork and persistence in a year of transition. I am grateful to say that we are fully staffed, committed to our school improvement goals, and providing authentic, engaging, and student-centered learning to our students.

Our school staff maintains the momentum in science of reading professional development and increasing our familiarity with the EL curriculum. The ILT (instructional leadership team) has led professional development dissecting high-leverage instructional practices, such as employing total participation techniques and using learning targets throughout lessons. We conduct learning walkthroughs to assess progress towards our goals and gear future pd to meet staff needs.

We were fortunate to return to our tradition of Winter Enrichment, spending a half day, for 5 Fridays in mixed age groups, student chosen programs; Berkshire East skiing and snowboarding, outdoor adventure, bowling, and arts and crafts. This community-building opportunity gives staff and students time to shine and support outside of academic learning and classroom boundaries.

This summer, we again offered the Summer Eats program, providing breakfasts and lunches free of charge to any child, 0-18, for 5 weeks. We also held two summer programs, one for K-2 students to continue strengthening their social skills and the other, for grades 3-6, focused on specific literacy and math skills. These programs support students who benefit from additional time on learning or thrive with the routines of school. Fortunately, we were able to offer transportation for students, increasing our participation rates. All expenses associated with these offerings were covered through grants.

We returned for the 2022-2023 school year with 94 students enrolled in PK-6. This fall, we celebrated Sue Mead's retirement and outstanding career and impact at Hawlemont. The teaching assignments for the 2022-2023 school year are as follows: Preschool Full Day: Olivia Baron, Kindergarten: Daphne Clark, First Grade: Renee Spizz, Second Grade: Alecia Briggs, Third Grade: Sarah Ricko, Fourth Grade: Abby Clark, Fifth Grade: Jennifer Sinistore, Sixth Grade: Stephen Bechtel, HAY Agriculture Coordinator: Sienna Laire, Special Education: Emily Eller, Paula MacLean, Music Teacher: Rick Page, Art/PE/Library: Kylee Bunker, ELL: Barbara Page and Psychologist/School Counselor: Devon Kelleher. We have many wonderful paraprofessionals who provide additional support in classrooms. Duane Graves is the custodian, the nurse is Sherry Hager, and Rachel Gammell and Heather Lengieza are the cafeteria staff.

Every fall, Hawlemont completes an all-school hike, this year at Mohawk State Forest. We learn that together we can do hard things. At our open house we invited community organizations, such as Big Brothers, Big Sisters, Mary Lyons, and Good Neighbors Food Pantry to join us. The community toured classrooms and enjoyed a BBQ dinner catered by the Long family. In November, Hawlemont held a readathon. Our students read over 12,000 minutes and raised \$1300+ dollars for new library books!

Hawlemont's 4H programming expanded to include hand-sewing for our Clovers and knitting for our older students alongside weaving, baking, outdoor adventure, and animal science. Extracurricular activities, like baseball, basketball, and dance, teach our students teamwork and good sportsmanship.

Hawlemont's Local Educational Council (LEC) is composed of family members, community members, staff, and myself. Together we approved a School Improvement Plan (SIP) that focuses on the following areas: Effective Instruction focusing on Educational Space, Student Empowerment and Meaningful Assessment, Professional Learning Communities and Ongoing Communication. This fall and winter, we have geared meetings around family engagement and academic growth.

I would like to thank the teachers, staff, parents, students, and community members for making Hawlemont a great school where everyone shows goodwill, responsibility, integrity and teamwork. I look forward to next year and continued growth towards educational excellence at Hawlemont.

## Mary Lyon Foundation Annual Report October 1, 2021 - September 30, 2022

Fiscal Year 2022 (FY22) was a record year for the Mary Lyon Foundation. We exceeded our expectations in the silent phase of our *Campaign for Student Success* and raised \$2,082,635.69 toward our goal of \$5,000,000 over five years. Total campaign revenue since the Campaign began on October 1, 2020, is \$2,827,668.

The *Campaign for Student Success* is a bold initiative that allows us to invest in the most pressing needs facing our students, families, and educators.

The Mary Lyon Foundation is working tirelessly to ensure that all students come to school ready to learn, succeed academically, socially, and emotionally and thrive in the wider world. Our goal is to provide families with access to the services needed to foster a healthy and stable learning environment at home and school. We strive to ensure that Mohawk Trail and Hawlemont School District educators have the tools and resources they need to give our students the best possible education possible.

The Foundation's programming and services have expanded substantially in FY22 to meet the ongoing needs of our community.

### **Some program highlights are below:**

- We expanded our scholarship offerings to graduating students living in the Mohawk Trail Regional School District.
- Our food scarcity program has grown, and the Foundation currently delivers groceries to 140 People every other Tuesday. This program has doubled since its inception in July of 2021.
- We supported all educator assistance requests that promoted reimagination and innovation in the classroom.
- We provided funding for students to help with driver's education, CPR and first aid certification, serve-safe certificates, computers for college, and much more.
- Our Adopt a Child/Family program provided 73 children with gifts during the holidays, thanks to our partnership with Greenfield Savings Bank.
- Thanks to our partnership with the United Way and the Warm the Children Program, two hundred children in our community received funds so parents could buy winter clothing and boots.
- Due to the generosity of our community and the DAR, we gave warm winter hats, mittens, and scarves to the six schools in the school district and Valley Play School.
- Through our Walmart Gift Card Program, 158 gift cards were distributed to parents so they could purchase school supplies and other items to prepare their children for school.
- We partnered with the Salvation Army to help families with groceries, clothing, and utility bills through their Hometown Endowment Program.
- We funded scholarships to families so their children could attend summer and vacation camps and programs while parents worked.
- We provided parents of newborn babies with helpful supplies in collaboration with the DAR and the Good Neighbors knitting groups.
- We organized the West County People Who Support People Consortium in partnership with FRCOG and Community Action. This group of seventy service providers meets quarterly to discuss how we

can connect our community to the programs and services available to our families and students.

- In partnership with MTRSD and Foxtown Diner, we supported a district-wide celebration of learning and gave graphic novels and dinner to children and families throughout the district.
- We partnered with The Optician to provide glasses for many children within the community.
- We provided emergency relief to families who needed help with their utility bills.
- We initiated a Period Poverty Program in the district, giving young women sanitary products.
- We provided funding for the Preschool Assessment of Stereopsis with a smile, a program that measures children's and nonreaders' depth perception.
- We provided funding for the senior class's Franklin County Fair Fundraiser. The senior class raises funds to pay for prom and other school-wide events throughout the year.
- We funded four seniors so they could fulfill their capstone projects.
- We partnered with MTRSD and helped fund a teacher appreciation ice cream social.

### **Campaign Highlights:**

- The Mary Lyon Foundation endowed the Mohawk Trail Sustainability Endowment through an anonymous donor.
- A campaign pledge funded the Paulyne and Harper Gerry Student Assistance Endowment.
- A campaign pledge funded Guardian Angel Endowment.
- We provided funding to build a new Career and College Readiness Center at the high school.
- We provided grant funding to multiple organizations to better serve the surrounding community.

- We funded the before- and after-school programs at Hawlemont Regional School through an anonymous donation.
- Through the generosity of Marion and Gordon Taylor, we created the Marion J. and Gordon E. Taylor Endowment, which will provide funding in perpetuity in areas of greatest need.
- In partnership with Gloriosa, we hosted our first campaign event and raised \$40,000 for the Marion J. and Gordon E. Taylor Endowment.

Through our campaign fundraising, the Mary Lyon Foundation has significantly increased our program and service delivery in FY22. As a result, we hired a part-time Program Coordinator to help manage, maintain, and expand our programming.

In FY22, many students and families faced extraordinary challenges. With the support of our constituents and community partners, the Mary Lyon Foundation expanded existing programs. It developed new initiatives to help meet the needs of our community across the district.

Through our *Campaign for Student Success*, we will continue to fundraise for the next few years to expand existing programs and underwrite our operating endowment. The Campaign will secure the Foundation's future and ensure that we will provide funding so that all students come to school ready to learn, succeed academically, socially, and emotionally and thrive in the wider world.

## **Revenue and Expenditure Descriptions:**

**Special Projects:** Donations the Foundation receives are earmarked for other programs, such as

- the Buckland Recreation Department's Pool Project
- Career and College Counseling Center

**Scholarships:** Scholarship funding received and established by the Mary Lyon Foundation paid out to Mohawk Trail Students.

**Unrestricted Endowment:** Income from unrestricted donations is given to the Mary Lyon Foundation for use where needed most.

**Educator Assistance:** Funding for educators in the Mohawk Trail and Hawlemont School Districts to support reimagination and innovation in the classroom.

**Emergency Assistance:** This category supports the Guardian Angel, Paulyne and Harper Gerry Student Assistant Funds. These funds support the family and children of the district by providing assistance for groceries, and clothing, avoiding shut off of utilities, etc.

**Literacy:** Funding to support literacy in children from birth through high school.

**Operations:** Annual fundraising to support the Mary Lyon Foundation's daily operations.

**Restricted Endowments:** Income from restricted endowments underwrite the Mary Lyon Foundation's programs, services, and scholarships in perpetuity. (e.g.) Student Assistance, Emergency Assistance, Literacy, and Educator Assistance.

**Campaign Fundraising:** Unrestricted funding for immediate use where it is needed most.

## **Carl H. Nilman Scholarship Fund Annual Report 2022**

The Fund was established under the provisions of the Will of Carl H. Nilman for the purpose of providing scholarships. Recipients shall reside in the School District and be graduates of the Mohawk Trail Regional High School who desire and are deemed worthy of post high school education or training and who are in need of financial assistance.

This year (2022) the Awards Committee read 25 applications. 16 were from seniors and 9 were from graduates. We used 30% of our allotted monies for seniors and 70% for graduates. The Committee feels that seniors have multiple scholarship opportunities from other sources while graduates have fewer resources.

15 scholarships totaling \$10,775.00 were awarded to seniors and 9 scholarships totaling \$25,200.00 were awarded to graduates. Due to a decline in applications this year from both seniors and graduates we were able to award larger scholarships compared to previous years.

From 1991 - 2022 a total of \$1,130,800.00 has been awarded in scholarships. Mohawk seniors have received \$ 346,250.00 and \$784,550.00 has been awarded to graduates.

The Mohawk community owes a debt of gratitude to Mr. Nilman for his foresight in supporting higher education for the students of Mohawk Trail Regional High School. The Committee members are honored to bring the wishes of his Will to fruition.

Students of any age who are graduates of Mohawk (and living in the nine-town area at the time of graduation) are encouraged to apply for scholarships to help meet their continuing education needs.

Applications are available either online or they can be obtained at Mohawk School.

Please call Student Services at Mohawk, 413-625-9811, Ext.1503 for information regarding requirements and deadlines.

## **TAX COLLECTOR ANNUAL REPORT DECEMBER 31, 2022**

Once again the new Quarterly Tax billing has been very trying too many as the process continue to be understood. A reminder to all that when you receive your new FY 24 Preliminary bills, there will be two vouchers, one will be for the first payment due August 1, 2023 and the second voucher will be due on November 1, 2023, you will not receive a second mailing for the November payment.

As we experience economic turmoil and State Aid cuts it is very important to take care of any tax due the Town of Charlemont. With your help on this very important situation you will be helping the Town of Charlemont balance the budget and keep the Town in a sound financial position.

The Tax Collector's office continues to work with the Sewer Department on outstanding sewer amounts. These amounts are treated the same as past due real estate. If not paid in full a lien will be placed on the property.

The Town continues to have Jeffrey & Jeffrey, as our Deputy Collector. The Registry continues to use their marking system for non-payment of motor vehicle excise tax.

**TREASURERS ANNUAL REPORT  
DECEMBER 31, 2022**

The financial condition of the Town remains steady. Revenues from the State continue to diminish while pressures come from all sides to increase expenses. Since implementing the Quarterly Tax Billing, the Town has not had to borrow to make ends meet.

It still appears that the State and its Towns are going to continue to experience difficult times and tough decisions will need to be made. We are fortunate that we should be able to weather this period, due to the fiscal prudence exhibited by the Town.

The office has been working with Berenson & Bloom on Tax Title accounts. There are, 1 account in Land court waiting a decision, at this time things seem to be moving along with the Tax Title accounts.

At this time the Town has one loan out with one payment left. Highway Truck - \$25,325.00  
The Town has started to borrow for Broadband in the amount of \$1,750,000.

### **Report of the Town Administrator**

In 2022 the town administrator applied for a total of eight grants on behalf of the town. Six of the grants were awarded totaling \$1,186,268.90. The grants cover speed feedback signs, repair of the “long Bridge” deck, engineering for a permanent fix to the bridge at the beginning of Legate Hill Road, upgrading two subdivision roads to allow for twenty-one buildable lots, sidewalk cleaning equipment, and work on the railing in front of the trash compactor at the transfer station. A grant for a fire truck to replace Engine 2 was not awarded but will be re-applied for in 2023.

Work on the Hazard Mitigation plan was completed, and the updated plan was approved. Bridges continue to be priority projects; The Department of Transportation has been helping with our bridges through transportation improvement project funding. This funding was used to complete Tower Road Bridge and West Oxbow Bridge in 2022. East Oxbow bridge is slated for work in 2023-2024. Chickley Bridge has been put on the funding list and work has begun on the design. The largest town bridge known as the “Long Bridge” is also on the funding list and the project is currently being reviewed by an engineering company.

## **TYLER MEMORIAL LIBRARY 2022 ANNUAL REPORT**

**Library Hours** Tuesday 1 – 5 p.m. Thursday 3 – 7 p.m. Saturday 10 a.m. – 2 p.m.

### **Access to Library Materials**

Tyler Memorial Library belongs to the CW MARS consortium, a network of 150+ libraries in Central and Western Massachusetts with an online catalog of books, movies, magazines, and more. The online library catalog is available as a link from the Library's web page at <https://charlemont-ma.us/p/25/Tyler-Memorial-Library> or directly at <https://www.cwmars.org/>.

Books, DVDs, or audiobooks can be requested from any CW MARS library and delivered to the library of your choice. Patrons can also return items from other libraries to Tyler Memorial Library. Downloadable books, audiobooks and magazines are available from the Libby app and the Hoopla app. The Tyler Memorial Library Card opens many doors for Charlemont and Hawley residents.

## Library Certification

Tyler Memorial Library has completed the FY23 Annual Report Information Survey (ARIS) and the FY23 State Aid to Public Libraries Financial Report for the Massachusetts Board of Library Commissioners (MBLC). Tyler Memorial Library has been re-certified by MBLC for FY23 and will continue to receive State Aid to Public Libraries. Because the Library is certified, Charlemont received \$3,567.55, and Hawley received \$2,751.15 in State Aid for FY22.

## Library Programs

In-person programs resumed in July of 2022 with children's programs. The Hawlemont Summer Camp visited the library twice a week during the month of July, and Fire Chief Annear and Police Chief Pelletier each came on separate days to read and host a Q&A session with the elementary school-aged kids. Coordinated Family and Community Engagement (CFCE) offered a story hour for children aged birth-5 and their caregivers on the first and third Thursdays of the month beginning in September. The Library intends to offer in-person programs for adults and children in 2023, so please look for announcements on Wowbrary, Facebook, emails from the towns of Charlemont and Hawley and from the schools, as well as on posters at Avery's and the Post Office. Sign up for weekly emails to find out what's new at the library each week at [wowbrary.org](http://wowbrary.org).

## Collection Development

Tyler Memorial Library strives to meet the needs of patrons for information, education, and entertainment. Each year the Library purchases items for patrons of all ages. The Library seeks to purchase books and magazines recommended by patrons. Please talk to the librarian about your requests.

## Library Statistics

Patron visits are defined as use of the Library during open hours to obtain resources. The Library Statistics below reflect usage of the library for the Fiscal Year 2022, which ended June 30, 2022. When looking at these numbers please note that the Wi-Fi provider has reported an issue with collecting statistics, which explains the jump in numbers in FY2021. Due to the limits placed by the pandemic on in-person services in FY2021, which covers July 2020 through June 2021, the number of patron visits to the Library is down significantly for FY2021, as is circulation.

	Number of Patron Visits to Library	Number of Library Program Participants	Number of Wi-Fi Sessions
<b>FY 2020</b>	1,363	122	394
<b>FY 2021</b>	569	0	1,583
<b>FY 2022</b>	833	0	241

<b>Circulation</b>	<b>Adults</b>	<b>Young Adults</b>	<b>Children</b>	<b>Totals</b>
<b>FY 2020</b>	3,917	63	272	4,252
<b>FY 2021</b>	2,417	21	69	2,507
<b>FY 2022</b>	2,637	49	222	2,908

### **Friends of the Library Group**

A group of Charlemont and Hawley residents has begun the process of writing bylaws and submitting an application for 501(c)(3) status for a Friends of the Tyler Memorial Library. The group is looking for volunteers. Contact the Library Director, Kim Gabert, if you are interested in helping to get this group started.

### **Tyler Memorial Library Board of Trustees and Strategic Planning**

The library thanks Tyler Memorial Library Trustee Chair Evie Locke, Trustees Esther Haskell and Andrea Santos, and Hawley Representative Lisa Johnson for their ongoing dedication to the Library. The Trustees meet every four to six weeks and provide guidance and assistance in all areas of library function. In December of 2022, after a lengthy planning process and a community survey, the Trustees approved the Tyler Memorial Library Strategic Plan for 2023-2025. The plan has been accepted by the Massachusetts Board of Library Commissioners and is available on request.

Respectfully submitted,

Kim Gabert  
Library Director

### **Charlemont Zoning Board of Appeals**

#### **2022 Annual Report**

The Zoning Board of Appeals consists of three regular members— Charlotte Dewey, Ron Smith and Frank Carcio, who are appointed by the Board of Selectmen. The ZBA meets as needed to act on applications for variances or appeals to violation notifications by the Building Inspector.

There was one variance granted to Chad and Barbara McKenna in 2022. The Variance application process was started for Justin Maynard in 2022 and was continued into 2023. The ZBA level-funded their budget again for Fiscal Year 2023.

Respectfully submitted,

Charlotte Dewey, Chair  
Charlemont ZBA
